You now have the opportunity to **SAVE 30-70% OFF YOUR GROCERIES** and earn **FREE FOOD** with *Gaballi.com*. Every member who registers under our church will **CONTRIBUTE** to the earning of free food for those in need in our community.

Go to *www.Gaballi.com* to place your order of **AAA QUALITY** fruits and vegetables direct from the farms. New products are consistently being added.

At least once a month, items ordered online are delivered to our church (or a partner church nearby) for your pick up at a designated date and time.

**Gaballi is a faith based company that sells to everyone.**

Be sure to tell all of your **FAMILY, FRIENDS, & NEIGHBORS** that we are now an official host site for Gaballi and that they too can save 30-70% off their groceries. They can even begin earning **FREE FOOD** for their own family. Tell them to go to *www.Gaballi.com* to register. There are no registration fees and membership is free. Once they place their order online, tell them to select our church as their host site where they will pick up their items. We are certain they will enjoy the savings.

We would like to extend this opportunity to **EVERYONE** in our community. The more people that sign up to place online orders under our host site at *www.Gaballi.com*, the more free food we will generate to fill up our church food pantry. We will all be contributing to feed those in need.

We look forward to making this a **BIG SUCCESS TOGETHER!**
